SPECIAL

OFFER

Acre Ridge invites you to bring your vision to life.

Purchase your homesite this spring and receive \$10,000 towards your landscaping — a gesture to help you shape the place you'll soon call home - T&Cs apply.

Take inspiration from the landscape around you — from the native flora that frames our streets to the colour and movement of every changing season.

Perhaps a sculptural Japanese maple surrounded by soft grasses and azaleas, or a mix of succulents and bird of paradise, bold and full of life.

At Acre Ridge, we encourage creativity — an opportunity to express your style and showcase your home in its best light.

Our curation of local nurseries for your landscape vision.
